

NCAHS Aged Care Services Plan 2010—2015

NORTH COAST AREA HEALTH SERVICE - NCAHS

You are invited to attend a Consultation Workshop for the development of the NCAHS Aged Care Services Plan 2010-2015.

The aims of the Consultation Workshop are to identify:

- *The key issues for NCAHS in the delivery of services to the Aged population in the North Coast Area.*
- *Possible solutions to these key issues.*

This is your opportunity to input into the future direction of North Coast Area Health's service provision to the aged population within the North Coast.
